

**CSIR PROGRAMME ON YOUTH FOR LEADERSHIP IN SCIENCE – 2009
(CPYLS 2009)**

INSTITUTE OF MINERALS & MATERIALS TECHNOLOGY
(Formerly Regional Research Laboratory)
Council of Scientific & Industrial Research
Bhubaneswar - 751 013

ATTENTION!!! STUDENTS OF CLASS – XI (SCIENCE STREAM)

The Council of Scientific & Industrial Research (CSIR), an autonomous body under the Govt. of India, is one of the largest publicly funded R&D organizations in the world with 38 laboratories all over India dedicated to scientific industrial research and developing competency in advanced areas of technology. The Institute of Minerals & Materials Technology (Formerly Regional Research Laboratory) at Bhubaneswar is part of CSIR and is engaged in development of new processes and products with major thrust on mineral processing and materials development.

In order to motivate and inspire bright young students who are studying in Class XI (Science) to pursue higher studies in science and take up a career in scientific research, IMMT, Bhubaneswar will be organizing a two days programme on 22nd -23rd December, 2009, as part of the '**CSIR Programme on Youth for Leadership in Science - 2009 (CPYLS- 2009)**'. The aim of the programme is to expose talented students in Class XI (Science) to the excitement, fulfillment and rewards of pursuing a career in science. They will be exposed to the R&D work and facilities at IMMT and also given inspiring lectures by eminent scientists during the above programme.

Those students of Class - XI (science) who have secured 90% or more in Class X examination held in 2009 may apply for participation in this programme (attested mark sheet must be enclosed for verification). Also, students of Class - XI (science) having unique distinctions like selection in NTSE/Rank Holders in RMO/ Science Olympiad/Cyber Olympiad/State or National level Talent Search examinations may apply enclosing relevant testimonials.

The institute will select students of Orissa from various boards like B.O.S.E, Orissa, C.B.S.E and I.C.S.E in order of merit. The selected students will be invited to visit the laboratory during 22nd -23rd December, 2009 along with one of their guardians. The laboratory will pay travel allowance in 2nd AC rail/ Road transport as per the rules and arrange for lodging/boarding for the out station students inside the institute campus subject to availability of accommodation. The format of application is given below, which can also be downloaded from IMMT's web-site www.immt.res.in.

"APPLICATION FORMAT FOR CPYLS – 2009":

(1) Name of Applicant, (2) Address including Telephone/ E-mail if any, (3) School/ College presently studying, (4) Subjects taken in +2 science, (5) % marks secured in Class X of 2009 along with photocopy of mark sheet, (6) Unique distinctions, if any (NTSE / RMO / Science Olympiad / Cyber Olympiad / State or National level Talent Search examinations), (7) Broad area of interest, (8) Name and address of the accompanying Guardian / Teacher, (9) Whether accommodation is required, (10) Any other relevant information, (11) Date & Place, (12) Signature of the student, (13) Signature of the Guardian / Teacher, (14) Signature of the Principal of School / College presently studying. The applicant should affix one self attested passport size photograph on the application.

Completed application in the above format , super scribing "Application for CPYLS – 2009" on the cover, should reach the Director, Institute of Minerals & Materials Technology, Bhubaneswar – 751013 latest by 31.10.2009. The institute will inform the programme and other details to the selected students by the last week of November, 2009.
