

THREE DAYS SKILL DEVELOPMENT TRAINING on

METAL WORKING, HEAT TREATMENT AND PROPERTIES (MWHTP-2026)

Date: 5-7 August, 2026 (3-Day Program)

Venue: CSIR-IMMT, Bhubaneswar

THEMATIC AREAS

- Melting and Casting
- Rolling, forging and deep drawing processes
- Evolution of phase & microstructure
- Post-heat treatment technologies
- Mechanical properties
- Characterization techniques
- Demonstration of techniques

OUTCOME

- Gain practical experience with melting, metal working practices
- Develop competence in improved techniques and their applications
- Receive a Certificate of Participation from CSIR-IMMT

REGISTRATION

For Students: Rs. 500/-

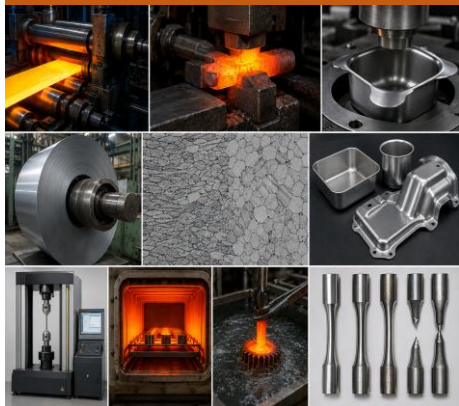

**For Faculty/MSME/Industry Personnel,
etc. : Rs. 1000/-**

Registration kit and working lunch available

Register now, limited sits...

Last date of registration : 2 August, 2026

METALS

**From Process to Performance: Engineering
for better metal properties**

BANK DETAIL

Account Name: Industrial Research Fund
Account for Institute of Minerals and Materials
Technology

Account No: 30267734773

Bank and Branch: SBI, IMMT Campus Branch

IFSC: SBIN0007499

COURSE INSTRUCTORS

Dr. Ajit Panigrahi, Principal Scientist

E-mail: ajit.immt@csir.res.in
