Annual Procurement Plan for the Year 2026-2027		
Sl. No.	Item Description	Quantity
1.	LA for ICP-MS	1 Unit
2.	X-Ray Diffractometer(XRD)	2 Unit
3.	High performance computing facilities for AI/ML	As per requirement
4.	Laboratory Continuous Froth Flotation Cell System (25kg/h)	01 Unit
5.	Customized Spray Dryer	As per requirement
6.	Peristaltic Pump Drive	As per requirement
7.	Multichannel Pump Head	As per requirement
8.	USIM PAC Version 3.3-Two User Server License (Lifetime license) , USIM PAC online selfpaced training	01 Unit
9.	Gas Chromatograph with accessories	01 Unit
10.	Reduction Under Stress (RUS) Furnace	As per requirement
11.	Ashing Furnace Bench-Type	As per requirement
12.	Chemical Storage	As per requirement
13.	Working Table	As per requirement
14.	Gas Line	As per requirement
15.	Vacume Decicator	As per requirement
16.	Workstation	As per requirement
17.	Safety Gadgets	As per requirement
18.	Laptop	As per requirement
19.	Hot Plate	As per requirement
20.	Furnace	As per requirement
21.	Fume Hood	As per requirement
22.	Computer Workstation	As per requirement
23.	Spin Coater	As per requirement
24.	Vacuum Mixer	As per requirement
25.	Split AC 1.5/2.0 Ton etc.	As per requirement
26.	Tower AC	As per requirement
27.	Cutting Machine	As per requirement
28.	Analytical Balance	As per requirement
29.	Gas Chromatograph	As per requirement
30.	Electrical Panel	As per requirement
31.	Crimping Machine	As per requirement
32.	Motorized Worm	As per requirement
33.	Laboratory Furniture	As per requirement
34.	Sample Collection Bag	As per requirement

***This is a tentative list. The publication of this list shall not be construed as initiation of a procurement process and cast any obligation on CSIR-IMMT to issue the bidding document or confer any right on prospective bidders (Rule 144(x) of GFR 2017).**

35.	Vacuum Pump	As per requirement
36.	PH Meter	As per requirement
37.	Hydrothermal	As per requirement
38.	Mass Flow Controller	As per requirement
39.	Microscope	As per requirement
40.	Magnetic Stirrer	As per requirement
41.	Pelletizing Disc	As per requirement
42.	Vacuum Desiccator	As per requirement
43.	Variable Frequency Drive	As per requirement
44.	Hydrothermal bomb heating	As per requirement
45.	Programmable AC-DC Power Source	As per requirement
46.	Sound Systems	As per requirement
47.	Centrifuge	As per requirement
48.	Automatic Weather Station	As per requirement
49.	Surveillance system	As per requirement
50.	Press Die	As per requirement
51.	Contact angle Meter	As per requirement
52.	Various size Glass Jacketed Reactor	As per requirement
53.	IP Camera	As per requirement
54.	Bench Scale Pot Grate System	As per requirement
55.	Automatic Pull-Off Adhesion Gauge	As per requirement
56.	Laser Cutting Machine	As per requirement
57.	Various Gas Cylinder with Gas	As per requirement
58.	High Pressure reactor	As per requirement
59.	Polishing Machine	As per requirement
60.	PTEF Liner	As per requirement
61.	Various Pumps	As per requirement
62.	Corrosion testing Machine	As per requirement
63.	DC Power Supply Unit	As per requirement
64.	Coin Cell Electrode	As per requirement
65.	Desiccator	As per requirement
66.	Vibratory Cup Mill	As per requirement
67.	Assay Kit	As per requirement
68.	Central gas Distribution System	As per requirement
69.	Lab Roll Crusher	As per requirement
70.	Slurry Coating Machine	As per requirement
71.	Leas Silver Sheet	As per requirement
72.	Rectifier Unit	As per requirement

***This is a tentative list. The publication of this list shall not be construed as initiation of a procurement process and cast any obligation on CSIR-IMMT to issue the bidding document or confer any right on prospective bidders (Rule 144(x) of GFR 2017).**

73.	Various size Graphite Crucible	As per requirement
74.	PKI Green Injection	As per requirement
75.	Electrochemical Device	As per requirement
76.	Probe Sonicator	As per requirement
77.	Crimping Machine	As per requirement
78.	Magnetic Stirrer	As per requirement
79.	Lithium Air Battery	As per requirement
80.	Various size Batteries	As per requirement
81.	Electrolyzer test Kit	As per requirement
82.	Glassy Carbon	As per requirement
83.	Animal cell culture media	As per requirement
84.	Dip Coating system	As per requirement
85.	Agate Mortar	As per requirement
86.	Automated Coating system	As per requirement
87.	Plasma cleaner	As per requirement
88.	Rotary Evaporator	As per requirement

111.	Water purification system	As per requirement
112.	Vertical Tank Pump	As per requirement
113.	Arc Furnace	As per requirement
114.	Multi Gas Calibrator	As per requirement
115.	Rolling Mill	As per requirement
116.	High Temperature Tube Furnace	As per requirement
117.	CoolLED Fluorescence Pe300W for DM Series and LED-BF illumination upgrade for Leica Coal petrographic Microscope	1 Unit
118.	Hydraulic Driven Deep Drawing Press for making Brass thali and Bhagona	1 Unit
119.	Multicell GalvanoStat	1 Unit
120.	Column Flotation test rig with accessories-instrumentation and automation	1 Unit
121.	Vertical Furnace Programmable	1 Unit
122.	Auto Geared Lathe Machine	2 Nos
123.	Microwave Digestion System	1 Unit
124.	Vaccum Induction Melting Furnace	1 Unit
125.	Laboratory Scale Box Type Wet High Intensity Magnetic Separator	1 Unit
126.	Laboratory Bench Type Fume Hood	1 Unit
127.	Muffle Furnace	As per requirement
128.	Filter Press	As per requirement
129.	Current Source Meter	As per requirement
