

CSIR – Skill Development Training Program

on

Powder Metallurgy Processing and Characterization of Materials

Duration:
November 4 – 6, 2026

Venue:
CSIR – Institute of Minerals and Materials Technology,
Bhubaneswar 751013, Odisha

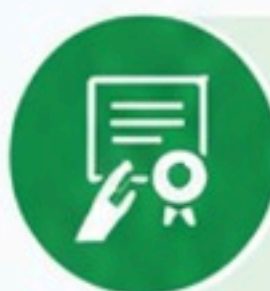

Key Highlights of the PROGRAM

Powder Metallurgy Processing

Learn about the state-of-the-art manufacturing process involving Powder Metallurgy Routes with special emphasis on fundamentals and applications

Hands-on Training

Get a unique opportunity to design and develop products using powder metallurgy facilities of CSIR – IMMT and upgrade your skill

Applications

Learn about the vast application areas of powder metallurgy in the context of emerging technologies in aerospace, automobiles, biomedical sectors, etc.

Certificates will be given to all registered participants

WHO SHOULD ATTEND?

- UG students
- PG students
- PhD scholars/Project staffs
- Faculty members/ Scientist
- Technical staffs
- Industry professionals
- Entrepreneurs

REGISTRATION PROCEDURE

To register for the program, please pay the Course fees (as applicable) and fill out the google form:

<https://shorturl.at/Gt77A>

Course fees:

- **Rs. 500/-** (for students, PhD scholars, project staff)
- **Rs. 2000/-** (for faculty, scientist, technical staff, entrepreneurs and industry professionals)

Course fees can be paid by
ONLINE TRANSFER to

A/c No. **30267734773**

IFSC Code: **SBIN0007499**

Bank: **SBI IMMT Campus branch**

About CSIR – Institute of Minerals and Materials Technology

CSIR-Institute of Minerals and Materials Technology (IMMT) was established on 13.04.1964 as Regional Research Laboratory, Bhubaneswar in the eastern part of India under the aegis of the Council of Scientific and Industrial Research (CSIR), New Delhi. It was renamed in 2007 with a renewed research focus and growth strategy to be a leader in the areas of mineral & material resource engineering. The institute has expertise in conducting basic research and technology oriented programs in a wide range of subjects to address the R&D problems of mining, mineral and metals industries and ensure their sustainable development. For the last one decade, the main thrust of R&D at CSIR-IMMT has been to empower Indian industries to meet the challenges of globalization by providing advanced and zero waste process know-how and consultancy services for commercial exploitation of natural resources through the public-private-partnership (PPP) approach

Last date of receipt of Applications:
October 31, 2026

Working lunch and tea will be served during the course.

No arrangement is made for boarding, lodging, travel, etc.

The applicants may plan their return journey on 6th Nov evening.

COURSE ORGANIZERS:

Organizer:

Dr. Mayadhar Debata

Scientist-F,
PM&ME Department,
CSIR – IMMT Bhubaneswar

Email: mdebata.immt@csir.res.in

Mobile: 9861061563

Office: 0674-237-9489

Co-organizer:

Dr. Pradyut Sengupta

Scientist-E,
PM&ME Department,
CSIR – IMMT Bhubaneswar
